OFFICE NOTE.

Subject.

In re the restoration of the inam lands formerly endowed to the Sri Srinivasa Devasam temple in Venkatiana Chattram, Chamarajnagar Tk.

LAST REFERENCE:—

Letter No. ~~107~~ 157 dated 29th December 1903 from the Dy Commissioner Mysore district.

Pasted in the docket book

When the Deputy Secretary to Govt., Muzrai Dept. inspected the village of Venkatiana Chattram in the Chamarajnagar Taluk on the 28th April 1903, it was brought to his notice that the land inams granted to the temple of Sri Srinivasa Devasam in the said village had been resumed by Govt. for non-payment of Govt. dues. The correspondence relating to the subject was called for from the Dy Commr. From the records received it is observed that under the terms of the Sanad of 27th Dec. 1874 issued by H.H. the late Maharaja Sri Krishnaraja Wodiyar Bahadur III, the hereditary

Venkatarama Chattra and Basavapuram had been granted as Jodi inam to certain Brahmins and to the Sri Srinivasa Devaru temple in Venkatarama Chattar village. Owing to the fault of the Vrittidars to pay up the arrears of revenue due to Govt from the year 1882-3 to 1885-6 which amounted to Rs 3867-15-5 the villages were ordered to be sold by public auction, the Jodi tenure of the villages was forfeited to Govt on the ground of default of payment, and the villages were resumed & placed under Govt management (vide Govt Ro. no 213-14 dt 8. 4. 1886). At the time of the grant, H.H the late Maharaja had fixed 502 Pagodas & 8 13/16 Janams as Beriz & granted the inam on a Jodi of 400 Pagodas, distributing the remainder viz, 102 - 8 13/16 as follows:—

i) Grant to the temple —— 41 - 8 11/16
ii) To Brahmins —— 41 - 0
iii) Uliga & other manigas —— 20 - 0 1/8
102 - 8 13/16

After the resumption, & upon the

representation for all ce for maintenance of worship in the temple, the Govt were pleased to grant Rs 86-8-0 per annum including Rs 14-9-0 which the temple was enjoying as annual cash grant independent of the land inam. Latterly, upon the recommn of the Dy Commr, an additional cash grant of Rs 1-3-5 per month was sanctioned (vide order no 99-201 dy 8th June 1889) thus making a total grant of Rs 101-1-0 per annum. The arrears of all ce due to the temple amounting to Rs 367-1-1 was also sanctd in July 1895 from the revenues of the resumed villages - The question of the temple's right to a portion of the villages is being pressed

The Amildar reports that as per Sanad of 1814, the temple is entitled to half the amount of income from the villages after deducting the jodi & peshkash payable to Govt. During the Inam Settlement a sum of Rs 1265-0-0 being the jodi & Quit-rent on the villages having been fixed, and the Inamdars in

for the year 1902-03 of the villages being Rs 2094-9-2, a balance, after paying up the Govt. dues, of Rs 829-9-2 is reported to be the net income and that the temple is rightly due one half of the net income and that even taking it for granted that the annual cash grant of Rs 86-8-0 sanctioned after resumption of the inam lands is withdrawn, the Amildar states that the right of the temple to one half of the net revenues should be established. As the lands have not been apportioned between the temple & the Vrittidars, the Dy Commr. agrees with the Amildar's recommn that one half of the net income of the lands may be restored to the temple.

Muzrai Secretary's Remarks:-

Referring to that portion of the Councillor's remarks in which it is stated that the temple is entitled to a little over 2/5ths and not to one half of the beriz of the village, I have gone over the original sannad carefully and find that it is clearly stated in the order portion of the Sannad that out of the Beriz of 502 odd Varahas 400 varahas should be given as Jodi and that out of the balance, if any, one half should be given for Utsavams &c in the temple and the other half should be enjoyed by the Brahmin grantees.

The distribution of 102 odd Varahas among the Brahmins, the temple and the Uliga and Bhatamanya dars, represents what was in existence before the grant was made, and in the portion relating to the new grant itself this distribution is done away with and it is simply stated that one half after paying the Jodi should go to the temple

Muzrai Secretary's remarks:—

The annual Jaradk of this temple was raised from Rs 101-1-0 to Rs 411-0-0 under the circumstances explained in Govt. Pro: No. 5535-40 dated 28th May 1906.

Printed Col. Proc-up.

The scale of future expenditure submitted by the Dy Commr provides for all necessary items, but it leaves a surplus of only Rs 12-8-0 per annum. The temple is in an extremely dilapidated condition and although some repairs are in progress, considerable savings will have to be made for several years to come if the buildings are to be brought to a sound condition.

I have therefore made a few pencil corrections in the Dy Commrs

Submitted to His Highness.

The Muzrai Secretary's note explains the facts of the case in detail.

2. Two villages, Venkatiana Chattaram and Basavapur of the Chamarajanagar Taluk, which were granted as Jodi Inam to certain Brahmins and to the Sri Srinivasa Devaru temple in Venkataiana Chattram village, were resumed to Government in 1886, on account of the default of the Brahmin Vrittedars who were entitled to one half of the village, to pay the revenue due thereon. The tusdik which the temple in question was enjoying at the time, viz., ₹14-9-0, was subsequently raised to ₹86-8-0 per annum in consideration of such resumption. This was further raised to ₹101-1-0, or by an additional grant of ₹14-9-0 which had been excluded from the new grant first sanctioned. The temple is thus in receipt of an annual tusdik of ₹101 at present. This was done obviously to compensate the temple for the loss of the half of its income from the village.

3 The Deputy Commissioner now brings to notice

that under the Sannad granted by His Highness the late Maharaja Krishnaraj Wudaiyar Bahadur, dated III, December ~~1841~~ 1814, the temple is entitled to half the net income of the villages, which he recommends may be made over to the temple.

A

Paper under disposal (1)

4. Both the Muzrai Secretary and the Second Councillor support this recommendation.

5. Taking the income of the temple for the past 10 years, the net average annual income, exclusive of Jodi and quit rent, comes to Rs822, as per details furnished on page 10 of the note, of which the temple's share comes to Rs411. The temple is out of repair and has hardly any money at its credit.

6. I would, under the circumstances, beg to recommend that the cash tusdik already granted to the temple, be raised to Rs411 per annum with effect from 1905-'06, and that the arrears due to the temple up to that year, which as per details given in page 12, comes to Rs961-6-1, be ordered to be disbursed in the Revenue Department. This amount excludes the annual grant of Rs86-8-0 made to the temple in previous years

(Vide connected file) Printed Proceedings K

7. This recommendation is supported by a precedent in which, in similar circumstances, His Highness

has been pleased to sanction a cash grant of Rs.120 per annum, an amount equal to the amount saved to Government from the Inam village of Kukkehally in the Manjarabad Taluk, which had been endowed to the Sri Agasteswara temple in the Arkalgud Taluk, but which was resumed to Government.

I had therefore sent them on the 24th Octr. 1879 to the Amil for enquiry and to submit a correct one, from his report lately received it appears that he gave the agrahardars due time to attend, but all failed. He has therefore returned the statements. I checked them with the old entries, but the enjoyment does not tally as each party has entered the enjoyment without any date. To obviate the delay in disposing of this case, I have simply entered the names in column 15 as per statements, leaving the particulars of enjoyment of Vrittis for disposal when a correct statement is filed by all the parties.

the other half for their own
benefit During the inam

Settlement in 1880, the villages were confirmed on a combined quit rent of Rs. 12 & 5 for "Personal benefit, also for Devadaya service."

2. Owing to the fault of the Vritidars to pay up the arrears of revenue due to Govt. which amounted to Rs. 3867-15-5 from the year 1882-83 to 1885-86, the Jodi tenure of the villages was forfeited to Govt., and the villages were resumed & placed under Govt. management. The Jadik which the temple in question was separately enjoying at the time - viz, Rs 14-9-0 was [illegible]

subsequently raised to Rs 86-8-0 per annum in consideration of the loss sustained by the temple owing to the resumption of the villages. The Zaadik was further raised to Rs 101-1-0 per annum or by an additional grant of Rs 14-9-0 as the grant previously sanctioned was considered insufficient. The temple is thus in receipt of an annual Zaadik of Rs 101-1-0 at present.

3. The Deputy Commr brings to notice that under the Sanad granted by H.H. the late Maharaja Sir Krishnaraja Wodiyar Bahadur III, the temple

the temple is entitled to half of the net income of the villages, which he recommends may now be made over to the temple. ORDER THEREON.—Under the terms of the Sannad dated 27th December 1814, issued by His Highness the late Maharaja Sri Krishnaraja Wodeyar Bahadur III, the two villages of Venkatianachattram and Basavapura in the Chamrajnagar Taluk were granted as jodi inam to certain Brahmins and to the Sri Srinivasadevaru temple in the Venkatianachattram village in the said taluk. In the Sannad it was distinctly directed that after deducting the jodi payable to Government on the inam villages, the Brahmin vrittidars should pay one-half of the net balance to the Sri Venkataramanadevaru (Srinivasadevaru) temple for utsavams, etc., therein, utilizing the other half for their own benefit. During the Inam Settlement in 1880 the villages were confirmed on a combined quit rent of Rs. 1,265 for "Personal benefit, also for Devadaya service."

dated 28th may 1906 sanctioning an increased cash tasdik of Rs 411/- per annum to the Sri Srinivasa Devaru temple at Venkatiana chattram in the Chamarajnagar taluk

Correspondence ending with letter no 450 dated 15th may 1907 from the Dy. Commr Mysore Distt. submitting an English statement containing his own revised proposals together with those of the Amildar in the matter of the revision of the scale of establishment and other charges in the said temple

No. 1095-65/20.8.07
Encs. 24 1 file
(Dy Regd Post)

Order thereon no. dy.

The annual tasdik

of the Sri Srinivasa Devaru temple at Venkatiana chatturam in the Chamarajnagar Taluk was raised from Rs 101-1-0 to Rs 411-00 under the circumstances explained in the Govt order read above.

The scale of future expenditure submitted by the Dy Commr. under cover of his correspondence read above, provides for all necessary items, but it leaves a surplus of only Rs 12-8-0 per annum. The Govt observe that the temple is in an extremely dilapidated condition, and although some repairs are in progress, considerable savings will have to be made for several years to come if the buildings are to be brought to a sound condition.

3). In these circumstances, the Govt. are pleased to

Sanction the revised scale of establishment and other charges ~~in the Sea Customs Devasom temples~~ as has been modified so as to effect a saving of Rs 88 per annum, and annexed is sanctioned. The saving to be effected shall be utilized towards the repairs of the institution.
